Subject: Yerington - OU-3 HHRA Tech Memo 1
[OU-3 Draft TM 1_23Sept2015.pdf](#)

Chris,

Welcome to the Yerington team. As we discussed on the phone the other day, attached please find Technical Memo #1 for OU-3 at the Yerington site. As I mentioned, the intent of these Tech Memos are to facilitate discussion between parties and move toward generation of a work plan. Once you have had a chance to review the attached, we would like to schedule time to have a follow-up discussion (either in person at your office or via conference call) to discuss and resolve any potential technical issues and agree on the path forward.

Please let me know when you would be available for a follow-up discussion. As always, if you have any questions or would like to discuss further feel free to give me a call at the numbers below.

Thanks,

-jack
